

NEAR-TERM PARTNERSHIP OPPORTUNITIES

In the face of the COVID-19 crisis, the Detroit Historical Society moved quickly to begin collecting and preserving the stories and artifacts that will allow future generations to learn from this time. We also pivoted to provide home-based content when our constituents needed it most, from lessons for families suddenly faced with homeschooling, to research tools for history buffs with time on their hands. We even created the Society's very first virtual tour, which will be available soon in partnership with the Detroit Symphony Orchestra.

Support from our funding partners, members and individual donors is needed to ensure that we can continue to be responsive during this historic time. The following is a short list of sponsorship opportunities.
